

TLE Eliminators 11.0 Orientation Session

Journey of TLE

- Started in April 2021 with just 20 students in TLE 1.0
- Introduced doubt support & daily practice problems
- Experimented with multiple Levels
- Grew to 1000+ students in TLE 7.0
- Worked on improving course completion metrics
- Worked on improving quality of all services for 1 year
- Introduced free resources - TLE PCDs and CP-31 Sheet
- Now supporting 1300+ students TLE 11.0

Features in TLE 11.0

- Live Classes
- Daily Practice Problems

Doubt Support

- For problems from or outside the course
- Mentors are Experts & Candidate Masters
- Guidance level doubts: Use the common chat channels for this
- You can ask doubts at any time of the day
 - Expect a reply within 15 minutes
 - Mentors remain inactive from 3 to 6 am IST
- Best time to ask a doubt is from 6 to 11 pm IST

Post Contest Discussions

- Live for Codeforces, CodeChef contests
- Recorded for Leetcode contests
- Soon after the contest ends (within 1-2 hours)
- Recordings will be available on Youtube and not on website

Internal TLE Contests

- 2 contests at the end of every Level
- Text Editorial will be available after contest
- Winners get goodies

Some common doubts

- How to navigate through Discord or ask a doubt?
 - Videos available on website
- How can I request to change my Level?
 - Reach out to a manager on Discord (until 1 week after course starts)
- What to do if I am facing some issues in the course?
 - TLE server or support@tle-eliminators.com

Very important !!!

- Please respect everyone on the server and be inclusive
- Do not DM anybody from the server unless you know them very well
- Take this opportunity to network with other people
- Try to become independent, learn to google things
- Solve all the practice problems on time and attend Live lectures
- Check the announcements channel regularly
- Bookmark the TLE website and pin the Whatsapp group
- Don't hesitate to report any issues or provide feedback

All The Best 🚀
